1 gallon (3.8L)

AQUALIFE Multi-Purpose Cleaner

Biodegradeable

Phosphate Free

Directions for Use

Mix 1 part cleaner to 7 - 20 parts water and apply to surfaces to be cleaned. Hot water will increase the product's effectiveness particularly in high grease situations. Excellent foaming can be achieved by using a foaming lance. Rinse surfaces thoroughly after use.

Foam Spray Application

1. Fill foamer container with concentrated detergent – do not dilute or mix with other chemicals.
2. Apply foam liberally to surfaces to be cleaned. Allow foam to stand for at least five minutes.
3. Rinse with water from high pressure sprayer or hose nozzle. Drain dry. Do not wipe.
4. Follow with sanitizing rinse if desired.

KEEP OUT OF REACH OF CHILDREN
