

NOTIFICATION OF PUBLIC CERTIFICATION REPORT

6TH SEPTEMBER 2018

DERIS S.A. - PESCA CHILE - ANTARCTIC KRILL FISHERY

CLIENT: DERIS S.A

MARINE STEWARDSHIP COUNCIL

CAB: BUREAU VERITAS CERTIFICATION HOLDING SAS

Following a final period of comment on the reviewed Final Report of the above fishery available on the MSC website, certification may now be completed. Therefore now is able to use the MSC's logo on all products defined within the **Public Certification Report** for the specified unit of certification for this assessment.

Target stock	Antarctic krill (<i>Euphausia superba</i>) in FAO Area 48
Fishing Area	FAO 48.1, 48.2, 48.3 and 48.4
Fishing method	Midwater trawl targeting Antarctic krill
Fishing operators	'Antarctic Endeavour' f/v
Other eligible fishers	There are no other eligible fishers

The fishery is now certified and a Public Certification Report has been produced. Subject to the results of ongoing surveillance audits, the fishery will be certified for five years.

The product caught by the UoC and processed according to the description included in the Public Certification Report is eligible to be sold by Deris, S.A. as MSC certified and enter further certified CoC. CoC should commence following the first point of change of ownership which may happen during transshipment or landing, depending on the circumstances of each trading operation. There are no restrictions on the fully certified product entering further CoC. Deris, S.A. does not require its own CoC.

Our thanks to all individual and organisational stakeholders who participated throughout this assessment process.

Macarena G. SILVA
Fishery Scheme manager for Bureau Veritas
